Brief Synopsis

Current Situation as of 1900 hrs

Police currently hold the geographical boundaries of the Rideau/Sussex corridor, inclusive of MacKenzie Dr and Colonel By/Daly. We also hold Wellington from the Chateau Laurier west to Bay St and south to Sparks St. Protestors remain south of that area, primarily around Bank St. SJAM has been cleared of vehicles but will remain closed for clean up of litter and snow overnight.

In order to facilitate unimpeded access to Parliament Hill, Kent St from Queen St will be barreled off to allow for two way traffic. Kent St, south of Queen to Laurier has less than 10 vehicles, only one of which is a bobtail. This section remains closed for traffic.

Integrated police services continue to work to maintain integrity of the areas recovered by police. Extensive staffing still remains deployed to maintain the secure perimeter and access to it.

Information with respect to arrests and POU matters remains with the Major Incident Command the POU team.
